

# Certificate in IELTS Preparation

## Objectives

By the end of this 36-hour Certificate in IELTS Preparation course, students will:

- Develop a comprehensive understanding of the IELTS test format, scoring criteria and task requirements across all four skills (Listening, Reading, Writing and Speaking).
- Strengthen their academic and general English proficiency to meet the demands of international study and professional contexts.
- Refine listening skills to identify key information, recognize tone and attitude and respond accurately to varied accents and contexts.
- Improve reading strategies for comprehension, inference, and analysis of academic and general texts.
- Build confidence in producing clear, coherent and well-structured written responses under exam conditions.
- Enhance oral communication skills through structured speaking practice, focusing on fluency, accuracy and effective delivery.
- Cultivate effective test-taking strategies, time management and self-monitoring techniques to maximize performance.

## Learning Outcomes

Certificate in IELTS Preparation (36 hours) is combination of Module 1: Writing and Speaking (18 hours) and Module 2: Reading and Listening (18 hours). Upon successful completion of the course, students will be able to:
